

PROPERTY OWNERS AFFIDAVIT - PLUMBING

I hereby certify that the plumbing work described on the permit application shall be done by myself on my single family dwelling in which I am living or about to occupy. All work shall be done in accordance with the State Building Code and shall not be enclosed, backfilled, drywalled or covered in any way until it has been inspected and approved by the plumbing inspector. I understand it is my responsibility to arrange for the required inspections and I agree not to move anything into, or use the building in any way, until after I have received written approval to do so from the building inspector.

I also understand that additional permits are required before starting any building, electrical, heating, air conditioning, or ventilation work or installing a fireplace.

I have read and understand all of the above and acknowledge that failure to comply with the above requirements may cause revocation of the plumbing permit and/or legal action to be taken against me.
