PERMIT REQUIREMENTS /RESTRICTIONS

1. All inspections must be scheduled by calling the Water Department at (616) 396-1891 at least 24 hours prior to the time the inspection is needed.
2. All fire main construction must comply with the specifications for main line extensions of the Holland Charter Township Water System.
3. Additional Notes:

FOR HOLLAND CHARTER TOWNSHIP USE

Plan Approved By: _____

Approved Date: _____

Fee: _____

Fees Received: _____

Date Fees Rec'd: _____

NOTE: This fire system has been approved using the minimum standards of the Michigan Department of Public Health. Because all changes to these standards are retroactive, future compliance could more adequately be assured by the installation an RPZ-type backflow preventer.
