Mr. Steve Bulthuis
Manager
Holland Charter Township

Steve,

The Fire Department has researched various options for rescue tools as listed for purchase plan of the CIP. After reviewing various manufactures, we recommend the purchase of the Hurst eDraulic tools as listed on the included quotation from the MacQueen Group in the amount of \$57,614.00. MacQueen Group is the sole authorized distributor for Hurst Tools in Michigan.

While the primary focus of these tools is for vehicle extrication, they can also be used in a variety of forceable entry and rescue applications.

If you would like further details or have additional questions please feel free to contact me.

Respectfully Submitted,

Jim Kohsel
Fire Chief
Holland Charter Township
