Hello,

We are requesting a permanent permit for the use of outdoor sales at the Rent A Center – 65 Douglas Ave #4 . We would like to move some of our Seasonal merchandise (E-bikes, Mopeds, push mowers and snowblowers) that we lease to own out front of our store in a 6'x25' section of the 12'x75' raised sidewalk. Thank you for your time in reviewing this matter and look forward to your response.

Thank you again!

Sincerely

Michael Postmus
