

HOLLAND CHARTER TOWNSHIP COMMUNITY PARKS AND RECREATION PLAN SECTION 5

PLANNING AND PUBLIC INPUT PROCESS

RECREATION PLANNING

Recreation planning plays an important role in maintaining the quality of life in a community. If a community is to provide effective recreational opportunities, it needs a way of identifying and solving current problems and anticipating future needs. Recreation planning is one means of obtaining a perspective on these problems; developing realistic alternatives; formulating goals, policies, and recommendations for public and private decisions; developing criteria to measure change; and involving people in the planning, design and decision processes.

This Parks and Recreation Plan presents an evaluation of the Township's recreational needs and opportunities. It considers the existing amenities in the Township, the current and anticipated demand for additional or improved facilities, and the means for providing those facilities.

Since the previous Parks and Recreation Plan, developed in 2013, the Township has continued to make improvements to its park and recreation facilities. The most significant recent accomplishment is the redevelopment of H.B. Dunton Park in 2016.

This plan is to serve as a guideline for directing the Township in the operation and maintenance of existing and future facilities and programs to meet the recreational needs of its citizens. The plan summarizes long-term recommendations intended to guide the development of recreation opportunities and describes an action and capital improvement program for implementation over the next five years.

PLAN PROCESS AND DEVELOPMENT

This 2021 Community Park and Recreation Plan was developed by the Township, with the assistance of MCSA Group, Inc, a park and recreation planning consultant. Township staff met regularly with representatives of MCSA Group, between July 2020 and February 2021 for the development of this Plan.

Criteria considered and evaluated for plan development evolved from the examination of goals and recreation standards determined through a wide variety of input sources. This information was collected from the inventory and review of existing facilities; the identification of recreation needs and deficiencies; public opinion; current statewide recreation issues and priorities; and future expectations.

Public input was sought throughout the process by means of an open Public Meeting held to solicit public desires and concerns regarding parks and recreation. The meeting was advertised via Email, on the Township's website, social media and in the local media. The meeting schedule was as follows. A summary of the comments and discussion items can be found in the appendices of this report.

November 10, 2020 Public Workshop

January 7, 2021 Public Hearing

In addition, the Township undertook a survey of Township residents. The survey was available on the internet via Survey Monkey, as well as printed copies at the Township Hall. A total of 257 surveys were completed A copy of the survey and a summary of the results are included at the end of this section.

The survey was well received and indicated a high level of satisfaction with the Township's Park and Recreation system. The most popular activities that the respondents would like to see expanded in the parks were walking/running trails, biking trails, canoe/ kayak access, natural areas/ open green space, and water spray parks/ splashpad. Of the Township's recreation locations, the Bike Path network is the most frequented, with H.B. Dunton, Helder and Quincy also well used. Brookwood is the least visited Township Park. The maintenance of the Holland Charter Township parks was rated as "excellent" or "good" by the majority of respondents.

Another important part of the planning process was the development of concept plans for each of the major park properties. These were presented at the public meeting and were made available for viewing on the Township's website. The plans were generally well received. The Township responded to comments made and refined the plans as necessary.

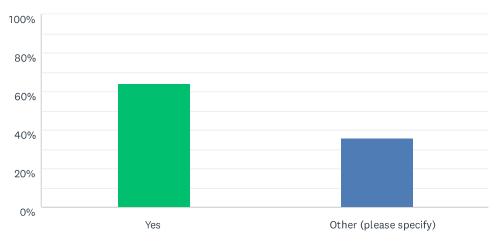

Comments from the public meeting and survey were incorporated into a final draft of the Plan, which was made available to the public for one month commencing on December 1, 2020 to solicit further comments prior to a public hearing and plan adoption.

Following the one-month review period, the final plan was presented during a public hearing to the Township Council on January 7, 2020. The Resolution to formally adopt this plan can be found in Section 9.

1	The parks make our quality of life wonderful.	10/9/2020 9:34 AM
2	More green space PLEASE	10/8/2020 7:04 AM
3	I dont really see a need for more splash pads. More pickle ball courts or maintain the ones better so no cracked courts.	10/7/2020 9:58 PM
4	All quincy fields should have shaded players benches.	10/7/2020 9:32 PM
5	Due to Covid-19, my family could not participate in activities as we typically do. My goal is to get my family more active in any weather so the more bike paths and cross country skiing trails the better! I would also LOVE to support a township work out facility. It could help promote a healthy lifestyle and a better sense of community.	10/7/2020 8:04 PM
6	LOVE the Quincy park ideas!!	10/7/2020 2:30 PM

11	Helder park soccer field are amazing. Love the new courts at Beechwood! Duton park docks need some work	10/2/2020 10:53 PM
12	Please consider improving sidewalks throughout the north side so that we're not forced to use the road to get where we are biking. I've been hit while crossing four way intersections twice, the drivers have left immediately, both times. I've also been yelled at by drivers and told to get off the road and/or stay out of their way. Is there any way the township could educate the community about the benefits of bike paths and getting people to use alternate methods of transportation? Please also consider adding safe bike paths around the mall area on James and 31. The traffic there is increasing, and it would help our community to have an additional way to get around other than by car or public transportation.	9/29/2020 5:46 PM
13	No YMCA	9/29/2020 10:13 AM
14	Dutton Park boat launch needs work	9/29/2020 9:53 AM
15	Please add a light to Adams landing. It's not a safe exit from the park or 104th. The trails at Ridge point are great and with the cities help could be renown. The truck stop at 116/Adams ruins the pond. I'd be concerned about activity if you added a bathroom to that site.	9/28/2020 9:48 PM
16	Love the Ridge Point natural area on 104th too and the canoe access on 104th/Adams. Would like to see 3 way stop sign on Mason/104th or something to provide a little safer pedestrian access to these. Do love the under road path on Adams	9/28/2020 9:37 PM
17	1. Add as much green space as possible. Buy land whenever possible 2. Maintain what Holland Township already owns. New facilities need to be as maintenance free as possible, not fancy, complex buildings or fields. Simple walking/hiking trails, maybe suitable for biking. Holland Township has been very pro development, we have lots of new stores, and such. Now Holland Township needs to work to maintain the current level of development, not increase the number of new homes and businesses.	9/23/2020 5:48 PM
18	The Holland Township parks are great! Would like to see a Community Center constructed as a meeting place to meet our neighbors and see presentations, etc.	9/23/2020 3:49 PM
19	Thank you for the opportunity to participate in this survey.	9/22/2020 8:45 AM
20	Tennis courts, running or walking track	9/21/2020 11:19 PM
21	Please don't waste taxpayer money building more buildings but provide more maintenance for natural areas all people can enjoy! Building splashpads, hockey venues, and other types of manmade recreation only serve a few. Accessible, natural areas provide for all ages, abilities, and, during this time of COVID precautions, are the park areas being used—not buildings, not more sports fields. I'm disappointed that existing parks like Dunton are in such poor shape. Dead and dying trees that should have been taken out years ago are now damaging the boardwalks, and are dangerous for walkers. The poorly planned bathroom placement on the waterfront at Dunton block the view of the only Township lakefront, and the new cement	9/21/2020 6:37 PM

	sidewalks are underwater, and the underwater playground poorly placed next to the boat launch is a dangerous place for running children next to large boats coming in and out of the water. The never used "handicapped accessible" kayak launch couldn't even be put in with the high water levels. Park funding should be spent to provide a safe, beautiful place for all. Please devote park funding for removing, replacing, and revising problem areas in all parks and making them user friendly again.	
22	Dunton park is a mess. The walking trails are run down and terrible. Try to walk in the middle of the day and their are people sitting around getting high. Looks like a drugie hangout. I tell everyone to avoid it or not try to walk the trails alone. This park is pathetic! No maintanence has been done in years. Its a mess! Wally and Bill would be heartbroken to see what this park has become! I am glad they dont have to see it. Hollan township should be ashamed!!!	9/21/2020 4:14 PM
23	I would balance a 25% expenditure for acquisition of new property with a 75% expense of maintaining and upgrading existing properties. With the population density increasing, future generations are going to want more open spaces, woods, etc, that we have a chance to acquire now but will not be able to do so later.	9/21/2020 4:03 PM
24	Bike paths need attention. Tree roots, growth on sides and above needs to be trimmed back.	9/21/2020 3:26 PM
25	The parks are well maintained, it will be difficult to improve but keep up the good work.	9/21/2020 3:24 PM
26	saw where Twp is considering Comm Bldg at tax rate of \$400 per property that is totally wrong, with all the new Industry & houses coming to property there should be NO tax burden for home owners.	9/21/2020 2:26 PM
27	Apologies for not being very helpful, but I do appreciate having the opportunity to reflect on our parks in Holland, which are lovely, thank you.	9/21/2020 12:49 PM
28	rather than putting splashpads in all the parks, it would be nice to have an actual water park (outdoor seasonal) in one of them, i.e. water slides, etc. people would be willing to pay a fee to use it.	9/21/2020 12:12 PM
29	The only "Green" improvement needed, keep land natural. Bike paths should implemented off of ALL roads, and should be MANDATORY.	9/21/2020 11:05 AM
30	Consider the activities available at nearby non-Township parks such as the County's Paw Paw Park in your planning. Consider how to work with schools such as West Ottawa to provide joint facilities as they plan for a new school near Felch and 120th. Reference Township Comprehensive plan for non-motorized route priorities.	9/21/2020 11:05 AM
31	Love the ideas for Helder Park. Would REALLY love it if we could have a swimming pool!	9/21/2020 11:00 AM
32	thank you for the survey. It is very important to request, receive, and take the "choice of the customer" seriously.	9/21/2020 10:46 AM
33	We use Zeeland Rec for a lot of the programs that Holland Township is missing. I would be wonderful if we could work towards having a rec center and more of those offerings in our own area.	9/21/2020 10:31 AM
34	We need a community pool on the Northside.	9/14/2020 7:34 AM
35	Heated bike paths / walking paths for winter!	9/9/2020 11:28 AM
36	I am not in favor of a Community Recreation Center unless it is self-sustaining.	9/9/2020 8:39 AM
37	Please consider adding safe bike paths around, and leading to the new GRCC location in the mall on James Street. This area is heavily congested with traffic and is dangerous for walking and biking.	9/6/2020 11:14 PM
38	Improvements should only be made to Parks that are more utilized.	9/6/2020 10:39 PM
39	Bring on the splash pads!	9/4/2020 12:25 AM
40	Splash pads!!!!!	9/3/2020 9:28 PM
41	Splash pads would be great at Helder and Quincy parks!	9/3/2020 4:48 PM
42	Why spend money upgrading before having a long term plan for maintaining? It is going to cost a ton to take care of these parks moving forward. Make sure we can take care of them on the long haul before upgrading. Then, look at usage and population trends before making major	9/3/2020 1:10 PM

decisions. We use Quincy a lot and helder a lot, but only for baseball/soccer. I would value access to water over most anything else.

45	Staff are great	9/3/2020 11:49 AM
46	Ball fields at Quincy should be available beyond little league games. Always locked but if they are part of the park they should be accesible.	9/3/2020 11:38 AM
47	We would love to see a splash pad area added to the park where the airport was closed down. This makes sense with its proximity to the beach and campgrounds.	9/3/2020 11:27 AM
48	Please start an adult softball league	9/3/2020 10:32 AM
49	Spalsh pad at beechwood park would be amazing! Definitely should do that!	9/3/2020 10:07 AM
