

PROPERTY OWNERS AFFIDAVIT - ELECTRICAL

I hereby certify that all construction work described on the permit application shall be done by myself or by licensed contractors on my single family dwelling in which I am living or about to occupy. All work shall be done in accordance with the Michigan Electrical Codes and shall not be enclosed, backfilled, insulated, drywalled or covered in any way until it has been inspected and approved by the electrical inspector. I understand it is my responsibility to arrange for the required inspections and I agree not to move anything into, or use the building for any purpose, until after I have received written approval from the electrical inspector.

I also understand that additional permits are required before starting any building, plumbing, heating, air conditioning, or ventilation work or installing a fireplace.

I have read and understand all of the above and acknowledge that failure to comply with the above requirements will constitute just cause for revoking the electrical permit and/or legal action to be taken against me.
